EU digital COVID certificate Italian restrictions

1 - an **EU Digital COVID Certificate** is a digital proof that a person has either ...

- been vaccinated against COVID-19 or ...
- received a negative test result or ...
- recovered from COVID-19

2 – a **Reinforced EU Digital COVID Certificate** | '**SUPER GREEN PASS**' is a digital proof that a person

- has been vaccinated against COVID-19 or ...
- recovered from COVID-19

accomodation facilities restrictions

If you will not exhibit your EU Digital COVID Certificate, therefore, **we will not be able to accommodate you** at our B&B.

'GREEN PASS BASE ' or ' SUPER GREEN PASS 'are required, also according to the colour of Italian region established by the Italian State depending on the level of local contagions measured.

food services restrictions

We would like to remind you in particular that, in the period between 6 December 2021 and 15 January 2022, in order to have access to restaurant services, even in the white zones, it will be necessary to exhibit your Reinforced EU Digital COVID Certificate also called ' SUPER GREEN PASS' (you have to be vaccinated or

recovered) and that, since our structure is a B&B, **it's not possible for us to admit main meals (other than breakfast) inside the rooms.**

Therefore, if you haven't a Reinforced EU Digital COVID Certificate also called ' SUPER GREEN PASS' (if you are not vaccinated or recovered), **we strongly recommend you** to consider in advance and very carefully the possible alternatives to have lunch and dinner out of room that are not many in winter season.

young people restrictions

The EU Digital COVID certificate is required only for people over the age of 12 so there aren't any restriction for people under 12.

why do I have to be vaccinated ?

The above Italian restrictions are designed

- to make **your stay safer** and ...
- to **counteract the proliferation of the virus** in Italy but also in your country.

Please feel free to contact us for any further information.
